Part 5 in the Amazing Reasons to Trust God series

To overcome the fear of man, we must pay less attention
to men and more attention to God

1. Listen to God

- A. Hear that He is God (1)
- B. Hear that He has given His Word (4)
- C. Hear that He will bring justice (4)
- D. Hear that He has promised rest (5)
- E. Hear that His protection is eternal (7-8)

So... don't listen to anyone else

2. Look to God

- A. See His work through eyes of faith (2-3)
- B. See His work through eyes of eternity (6)

So... don't look to anything else

Conclusion:

To avoid the fear of man,
turn your face toward God
